The 2026 SOA Asia-Pacific Symposium

Actomate Founder Nicholas Yeo Presents on Emerging Life Insurance Product Trends at SOA Asia-Pacific Symposium 2026

Taipei, Taiwan, 8 June 2026. Nicholas Yeo, Founder and Actuary at Actomate, was invited to speak at the 2026 Asia-Pacific Symposium, organised by the Society of Actuaries (SOA) in partnership with the Actuarial Institute of Chinese Taipei (AICT), held on 8–9 June 2026 in Taipei, Taiwan.

The symposium brought together actuaries, insurance professionals, finance practitioners, and industry leaders from across the Asia-Pacific region to discuss the theme, "*Actuaries in the Era of Navigating Regulatory and Technology Transformation*." The event served as a platform for knowledge sharing, professional development, and discussions on the future of the actuarial profession amid evolving market, regulatory, and technological landscapes.

Nicholas delivered a presentation titled "Life Insurance Product Trends in Asia". The session explored emerging developments across life insurance markets in Hong Kong, Singapore, Indonesia, and Malaysia, highlighting how insurers are adapting their product offerings to meet changing customer expectations.

The presentation examined key industry trends, including evolving customer propositions, new distribution approaches, and innovative product features that are driving differentiation across markets. Through real-world examples and market comparisons, the session provided participants with practical insights into how life insurance products are evolving across Asia and how these developments may influence future product design and strategy.

The Asia-Pacific Symposium featured a diverse programme covering topics such as regulatory developments, healthcare and life insurance product trends, innovation and technology, capital management, asset-liability management, financial risk management, ageing, and professionalism. The event also provided participants with opportunities to earn Continuing Professional Development (CPD) credits while engaging with industry experts and peers.

Nicholas' participation reflects Actomate's ongoing commitment to advancing industry knowledge and supporting insurers through data-driven insights, actuarial expertise, and technology-enabled solutions.

Actomate is a technology-focused actuarial firm founded in 2015. It is the first and only actuarial firm awarded the MD Malaysia Digital status (formerly known as MSC Malaysia Status) by the Malaysian Government, a mark of world-class service and achievement. In 2019, Actomate was awarded Top Actuarial Firm in Asia by Asia Captive Review. In 2020, the company first received Quality Assurance Scheme accreditation from the Institute and Faculty of Actuaries (UK). In 2023, Actomate won the SME100 Awards from the Small and Medium Enterprises Association of Malaysia (SAMENTA). Actomate is a diverse, equitable and inclusive (DEI) workplace and a signatory to the Malaysian Digital Climate Action Pledge. The company also received ISO 9001:2015 Quality Management System certification from SIRIM QAS International, further reinforcing its commitment to quality and operational excellence.
